DIRECTION FOR PAYMENT OF PROCEEDS: By naming a Funeral Provider under the DIRECTION FOR PAYMENT OF PROCEEDS, you agree to the following: NGL is directed to pay an amount not to exceed the death benefit of the Policy to the Funeral Provider named, if any, on the front of this form. NGL will only pay the Funeral Provider upon receipt of proof that funeral merchandise and services have been provided. You may change these directions at any time before the funeral is provided by giving written notice to NGL. In the event that NGL rescinds or declines to issue the Policy, you also assign the following to the Funeral Provider: (1) The right to receive the premium paid upon receipt of proof that funeral merchandise and services have been provided; (2) The right to compromise claims; and (3) The right to agree to rescission.

IRREVOCABLE ASSIGNMENT OF POLICY: If initialed, you agree to the following: Assignment of Ownership, Death Benefit and Rescission Rights: The Owner hereby irrevocably assigns to the Funeral Provider named in the Direction for Payment of Proceeds all incidents of ownership of the Policy, the right to receive all or part of the death benefit payable under the Policy upon receipt of proof that the funeral merchandise and services have been provided, and, if the Insurer, for any reason either rescinds or declines to issue a Policy, all rights, including the following: (1) the right to receive the premium paid (upon receipt of proof that the funeral merchandise and services have been provided), (2) the right to compromise claims and (3) the right to agree to rescission.

The Owner acknowledges that by making the assignment irrevocable it cannot be canceled. This assignment does not affect the right of the Owner to cancel the Policy under the Right to Cancel provision. By making this assignment irrevocable, the Owner also acknowledges the following: (1) The assignment of death benefit proceeds is permanent and cannot be changed by the Owner; (2) The Owner has waived all rights under the Policy to surrender for cash, to obtain a loan, to change the Owner or beneficiary, or to receive a refund for any premium paid; and (3) The Owner remains responsible for the payment of all insurance premiums when due

It is understood and agreed that this irrevocable assignment in no way inhibits the Owner or the next of kin of the Insured from hereafter selecting another Funeral Provider to perform funeral services and provide funeral merchandise in connection with the funeral of the Insured. The Insurer is not a party to this assignment and the sole responsibility of the Insurer is to pay the death benefit proceeds pursuant to the terms of the Policy as amended by this assignment.

PREFUNDED FUNERAL AGREEMENT

Performance Agreement

The Provider agrees to provide the funeral services as specified by the Purchaser on Exhibit A unless those services cannot be performed due to circumstances beyond the Provider's control. This Agreement supercedes any and all other written agreements and negotiations between the parties. This agreement cannot be changed except by a later written agreement signed by Purchaser and Provider.

Funding

Purchaser agrees to fund this Agreement with a life insurance policy issued by National Guardian Life Insurance Company ("Insurer") on the life of the Recipient with an ultimate face amount at least equal to the Total Guaranteed and Non-Guaranteed Funeral Price and to assign the policy proceeds to the Provider. The policy shall be purchased within 30 days from the date of this agreement.

The Insurer is not a party to this Agreement and is not responsible for fulfillment of its terms. The responsibilities of the Insurer are solely as stated in the insurance policy.

Price Guarantee

The prices shown in the Statement of Goods and Services are the current retail prices. They are used to establish the amount of insurance required to fund this Agreement. When the Funeral Services are provided, the current retail prices at that time will be charged. The provider will accept the policy death benefit as full payment for the Guaranteed Funeral Goods and Services, even if the then retail price is greater than the policy death benefit. Prices for Cash Advance items are incidental and not guaranteed.

If the total policy death benefit is not sufficient to provide payment in full, the difference between the policy death benefit and total price of the Funeral Services will be due and payable by the recipient's family or authorized representative. If the actual death benefits exceed the then current retail prices, the Provider may retain the excess.

Limitation on Price Guarantee

These price guarantees will not apply unless the policy death benefit paid is an amount at least equal to the ultimate face amount.

Substitution of Funeral Services

The Provider will furnish the items as described, but, if unavailable, reserves the right to substitute items of equal or better quality.

Freedom of Choice

At any time, Purchaser, family or authorized representative may request that a new funeral home be appointed to provide the Funeral Services. This request must be in writing. Upon acceptance by the new funeral home, Provider agrees to assign its rights and obligations in this Agreement.

Insurance Policy Termination

If the insurance policy is terminated for any reason, this Agreement automatically ends and the Provider is relieved of all responsibility under the Agreement. This Agreement automatically ends if the insurance policy is cancelled, allowed to lapse, borrowed against, surrendered for cash, or if annuity payments are paid out before death.

Cancellation

This Agreement may be cancelled at any time before the Provider provides the Funeral Services. Cancellation of this Agreement will not cancel the insurance policy, which must be cancelled according to the specific terms of the insurance policy. If the insurance policy is cancelled or surrendered more than 30 days from issue, the cash value, if any, will be refunded. In the early years, the cash value may be substantially less than the premiums paid.
